

Project Manager / Civil Design Engineer (Victoria, BC)

Our Company

Herold Engineering Limited is a Vancouver Island based Employee Owned consulting firm with offices in Nanaimo, Victoria, Fort Nelson and Ucluelet. Our dynamic and diverse company has over 65 employees involved in a wide variety of public and private sector civil/municipal infrastructure, building, transportation, and marine projects across Vancouver Island and British Columbia. We are a community oriented company which strongly supports local businesses, charities, and community organizations.

We are currently seeking a Project Manager/Civil Design Engineer to join our Civil Engineering Team in Victoria. A competitive salary, excellent work environment and participation in a well-respected, growing consulting firm await the successful candidate.

Qualifications

- P.Eng. or Eng.L. status with Engineers and Geoscientists of BC or Canadian alternate;
- 5 years progressive experience in a Canadian market in the design and management of land development and municipal infrastructure projects;
- Excellent written and oral communications skills;
- Demonstrate sound business development and client liaison skills;
- Experience with all levels of government, construction contractors and developers;
- Energetic, highly productive, well organized, detail oriented, and a team player;
- Valid Class 5 driver's license and dependable vehicle;
- Proven ability to meet project deliverables.

Additional Abilities

- Proficient with Civil 3D and AutoCAD software in the design/drafting of civil infrastructure;
- Experience with other civil modelling software is encouraged;
- Knowledge of the southern Vancouver Island development market and various municipal governments and authorities.

Responsibilities

- Manage and design civil/municipal projects, carry out and oversee aspects of engineering design for land development and municipal projects from proposal stage through commissioning;
- Prepare and submit proposals and technical reports;
- Preparation of tender documents and contract administration;
- Manage and work with multi-disciplinary teams.

Why work for Herold Engineering?

- 100% Employee owned;
- Competitive wages and benefits package;
- Strong community connections and involvement;
- Herold Engineering Limited creates a work environment where balance between personal life and work life is highly valued;
- British Columbia's capital city of Victoria is known as "The Garden City". With its prime location on the southern tip of Vancouver Island, Victoria is a vibrant tourist destination with a thriving technology sector and a variety of arts and culture and year-round outdoor activities. Close to other major destinations such as Vancouver and Seattle, Victoria is a desirable location for those who enjoy an active lifestyle.
